Due to the COVID-19 pandemic, the 2020-2021 season was cancelled. I worked with the licensing companies to move our show dates to the 2021-2022 season once the Board approved. We are on the calendar for 2021-2022 at Parrish Auditorium, but are still waiting for Miami to re-open.

Sponsorship (Teresa Bayer-Iltzsch)

I have been the Sponsorship Chair for GHCT for several years now and have been very successful in finding some wonderful and generous sponsors.

Unfortunately, due to the COVID pandemic of the past year, GHCT was unable to present our usual shows for this past year's season. However, our next season has been recently announced and, therefore, I have been working on obtaining some new Sponsors for this year. I have reached out to

several of our past patrons along with some new ones. I have received at least one patron who was unable to sponsor us, but have much hope that some of the others will respond in a positive way.
